# Covid-19 Rules

- All Participants must wear masks while on campus
- Participants must wear masks at the start of their race, they may remove the mask while racing but must replace it once they have finished
- Races will be divided into sections with no more than 10 people, per section
- Participants will enter a seed time, we will divide people into sections based on that seed time
- Participants will be given a time for their section to race, they will be asked to enter Coyer Field no more than five minutes before that time. Races will be spaced enough to allow for finishers to exit so that the next section can enter.
- Volunteers will time the races and will wear masks
- Results will be posted in a PDF Document on the Buffalo State Athletics Website
- Participants cannot use Coyer as a warmup area
- Participants cannot linger/congregate in Coyer. Once their race is completed, they must exit Coyer Field
- All participants must pre-register
- All Participants will have their temperatures checked prior to participation
