Brian began teaching English at Kenmore West High School in September 1995. His sense of humor and unique presentation of course material in everyday terms motivated his students to want to come to his class. He genuinely cared about all of his students not only in the classroom but in their lives outside the classroom. To many students he was the teacher they would always remember, a father figure, a role model. As a family man, Brian was a loving, devoted and unselfish husband and father. Thank you for helping celebrate Brian's life and raise money for a scholarship in his name, continuing his legacy of kindness and compassion.
