

Who Was Michael Israel?

Save the Michaels was created in honor of Michael David Israel. Michael became addicted to the opioid painkillers prescribed to him by his physicians while battling Crohn's Disease. His struggles with addiction ultimately led to his suicide.

Did you know?

ERIE COUNTY'S OVERDOSE DEATH RATE IS 413.8% HIGHER THAN NEW YORK CITY!

New York City's Population is approximately 13 million people. The NYC Dept. of Health and Mental Hygiene reports that there were approximately 1,100 deaths from drug overdose in NYC for 2016. That translates to 1 death per 11,800 people or .008% of the population.

In contrast; ERIE COUNTY'S OVERDOSE DEATHS ARE SUBSTANTIALLY HIGHER. Our population is approximately 920,000 people and there were 400 Erie County overdose deaths in 2016. That translates to 1 death per 2,300 people or .0435% of Erie County's Population.

Our Mission

To help raise awareness of prescription drug addiction. The abuse and misuse of these controlled substances lead to serious illness, depression, deaths from overdose and suicide, and devastations of families.
