## Race Background and History

For the past 9 years, residents of Newfane and other area runners have enjoyed an event that brings out the finest in our citizens, young and old. An idea that grew out of a most tragic event has become a yearly celebration of so much that is good in our community.

Our race is held in the lasting memory of Joe Schuler, a young man whose life was inexplicably cut short in the summer of 2002. An Eagle Scout, Joe was an exceptional student, athlete and friend. This race is a simple reminder not only of the life that Joe lived, but also of the connections that we all have to one another.

The following individuals and groups have helped make this a tremendous event through the years:

Volunteers of the Newfane Sports Boosters and Varsity Club

Volunteers of Miller Hose Fire Company

Volunteers of the Niagara County Sheriff's Department

Student and staff volunteers on race day

Newfane running guru, Mr. Bill Neidlinger

And the entire Schuler family—

Best wishes to all runners!!
