

# Holly Jolly 5K - Alternate Start

## Orchard Park, NY

### Course Notes

This UN-CERTIFIED course was originally USATF certified as NY12143JG in 2012. In 2022 the course was adjusted to accommodate this route's alternate start line location and certified as NY12301JJ.

Both of these certified courses expired at the end of 2022.

The route is believed to represent an accurate 5K, but no records can be ratified on this route unless and until the course is properly re-certified prior to a race.

J John, measurer of record, November 2023
