1977 RACE SUMMARY

Group	Number Finish	Average Time
Open	560	3:27:33
30-34	339	3:30:14
35-39	259	3:32:18
40-44	181	3:35:27
45-49	118	3:37:27
50-54	56	4:47:08
55-59	21	3:58:25
60&	6	4:05:05
Women	80	3:55:13
Average Age - 33.4	*1620	3:33:03

*Please excuse the slight discrepancy.

NOTES ON THE SPLIT RESULTS

One of the big lessons from this past Race is: do not depend on self-contained power generators, at least without governors. Both our Video Image and Digital Times were off considerably, thus compounding the difficulty of tabulating the results. Bill Fairchild and Paul Donovan were able to correct the times by entering compensating curves into the computer. Sheer manpower was our only recourse in dealing with the difficult to read Video Image. Anyhow, you have, considering everything (including a last minute search by Larry Taylor for Video equipment when certain promised devices were not delivered), relatively good split results, still unique for a race of our size.

As always, many people have been deeply involved with this data. We thank everyone for their efforts with special note to the following individuals and institutions:

Bill Fairchild and Paul Donovan - Computer Coordinators
 Larry Taylor - Video Coordinator
 Vicon Industries of Long Island, N. Y. - Video Time Generators
 Niagara College of Welland, Ontario - Video Equipment and Time
 Bell Telephone of Canada - lift trucks
 Carlos Mendoza and the Canisius College T. V. Dept.

See you next Oct. 21 for the 5th Annual Skylon International Marathon, a U.S. Championship at that.

Jesse Kregal
 for the Steering Committee
